QUESTION FOR ORAL ANSWER

17/2025 Could the Hon. Minister of Education and Training explain to this House the reasons for the non-implementation of the Council of Educators Bill and the Technical and Vocational Education and Training (TVET) Directorate, following the 2010 World Bank sector study?

(Hon. Welcome Dlamini)

20/2025 Could the Hon. Minister for Commerce, Industry and Trade inform this Hon. House in detail, why the scrapyard in Matsapha is not closed because its existence continues to cost the country's economic growth hundreds of millions if not millions, and that it is also a paralysis to households?

(The Hon. Marwick T. Khumalo)

21/2025 Given the high rate of unemployment among Government sponsored graduates, does the Minister of Labour and Social

Security plan to sponsor these individuals to further study Honours, Masters and PHDs? Many are currently unable to pursue higher education due to existing Government loan repayment obligations. If there are no such plans, what are the obstacles preventing the Ministry from implementing such initiatives, especially considering that advanced qualifications could significantly enhance their employment prospects both locally and internationally?

(The Hon. Petros Siabandze)

PRIVATE MEMBERS' MOTIONS

16/2025 To move that the Hon. Minister of Finance appraise the Honourable House on the challenges that makes the Ministry fail to deliver services to the citizens as he promised in his budget speech. Does the Hon. Minister remember his words, "In line with the National Development Agenda, this budget will address social challenges, build infrastructure and provide for Economic Growth. To attain this growth, we will be prioritizing the completion of existing capital projects, and spending in excess of E1 billion more on capital infrastructure, compared to the current years actual spend. Major projects to be completed include the International Conference Centre (ICC), the Manzini-Mpadze Highway, the Mpandze-Mbandlane Highway" to mention a few. What is failing the Hon. Minister to pay contractors on time so as to see projects finishing in time? Could the Minister appraise the Honourable House on what is the cause of the poor if not zero service delivery in the country, he should explain why Ministries are struggling to get cash to finance their programs especially capital projects. The Hon. Minister is asked to table a report on

this issues within 14 days after the adoption of the motion by the House.

Mover: (Hon. Masiphula Mamba)

Seconders: (Hon. Sandile Nxumalo)

23/2025 To move that the Hon. Minister for Public Service explain to this House what informed the decision to place qualified contract teachers on B2 whereas they should be placed on C3. When is that anomaly going to be fixed as it has brought emotional stress to the teachers? The Hon. Minister should table a report on this matter within seven (7) days after adoption of this motion by the House.

Mover: (The Hon. Sicelo Prince Dlamini)

Seconders: (The Hon. Welcome Dlamini)

20/2025 To move that His Excellency the Right Honourable Prime Minister consider operationalizing section 3 (2) of the Constitution of the Kingdom of Eswatini Act, 2005, against the backdrop that all legislation brought before Parliament should be presented both in English and Siswati languages. His Excellency the Right Honourable Prime Minister should further submit a report to the House within fourteen (14) days after the adoption of this motion, giving detailed information on how the legislative processes may be made in both languages.

Mover: (Hon. Wilton Nkambule)

Seconders: (Hon. Prince Sicelo Dlamini)

33/2025 To move that His Excellency the Rt. Hon. Prime Minister declare Non-Communicable Diseases (NCDs) a disaster in the country, the Prime minister must recognize the severity of the NCDs crisis

and treat as a public health emergency. NCDs such as heart disease, stroke, cancer, diabetes, and chronic respiratory diseases are the leading causes of death locally and globally with millions of preventable deaths occurring each year. His Excellency the Rt. Hon. Prime Minister should table a report in the House within fourteen (14) days after the adoption of the Motion
