PRIVATE MEMBERS' MOTIONS

01/2025 To move that the House elects a seven (7) member Select Committee to look into reports of downsizing that will result in massive layoffs by the Eswatini Posts and Telecommunications Corporation. The Committee should also look into the EPTC's restructuring exercise and its impact on permanent, contract and temporary employees of the Corporation. The Committee should also verify allegations of deviation from approved procurement processes. The Committee should table its report to the House after fourteen (14) days after adoption of the Motion. EPTC is not allowed to effect changes before the report is presented to Parliament.

Mover: (The Hon. Welcome Dlamini)

Seconder: (The Hon. Nathi Hlophe)

02/2025 To move that the Hon. Minister for Health gives answers why Tender No.2 of 2025/2026 on the supply and delivery of pharmaceuticals and vaccines was flawed so that it favours a certain company or supplier who will have to be awarded a contract for two (2) years. The Minister should give reasons why this tender should not be deemed null and void and a re-tender issued in strict compliance with Tender procedures as provided in the Procurement Act.

03/2025 To move that the Hon.
